RE: Letter of recommendation: Riviera Maya Films

Dubai Films LLC is producing a non-narrative documentary film, filmed in over 30 countries for giant IMAX and 4K screens.

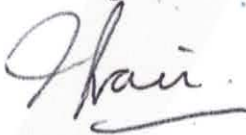

Our Underwater Filming unit filmed in 5 key locations in Mexico and we utilized the services of Rene Blanco - Riviera Maya Films.

We had huge success working with Rene and would highly recommend utilizing his services for any shoot within Mexico. Him and his team are hugely reliable, skilled in production and knowledgeable about the country.

We will surely utilize Riviera Maya Films for any further filming requirements in Mexico. He is our go-to-man in the region.

You can contact me if you have any queries on this,

Kind regards
