To whom it may concern,

In the summer of 2009, NL Film did a 7 day location shoot for a Dutch drama series in the Chiapas region of Mexico. Through references of another Dutch Film company we got in contact with René Blanco of Riviera Maya Films.

Riviera Maya Films company operated as Line Producer. René Blanco personally operated an production manager, location manager, fixer and truly cooperative and positive optimistic local 'brother in arms'.

We at NL Film are truly grateful about the effort and knowledge of local government that René Blanco displayed in helping us getting all the scenes we needed (and then some more). René even succeeded in getting the permission to shoot on the Temple site at Palenque, a unique opportunity that was very special for our director and the crew all together.

I hereby fully give the best references to Riviera Maya Film and René Blanco.

With regards,

Ingmar J. Menning

Executive Producer NL Film & TV
